**Take Warning!**

THE V. & T. R. R. COMPANY ARE

warnings to take due precautions against ac-

cidents and loss of life resulting from running

of their trains; and they take this method of

warning Parents and Guardians against the

danger attending the too common practice of

Children playing about their Cars and locomotives.

Those having in charge the business of the Company find it impossible to PERSEQUE

those who frequent the terminals and stopping

places of the road from climbing upon the cars

and engines, and they will feel themselves

obliged to resort to more decided measures if

these annoyances are continued. Recent acci-

dents, which are wholly attributable to the care

when in motion, should be warning enough in

themselves.

E. M. YERINGTON,  
Superintendent.
